firefly is a combination web-based reading tool, online file storage system, and account management system.

A user account should have been created for you in *firefly*. If you were not provided a username and password, please contact someone at your organization leading the implementation of *Kurzweil 3000-firefly*.

#### Accessing firefly

You can log in and access the *firefly* website here: www.fireflybykurzweil.com

You can also download the *firefly* iPad<sup>®</sup> app for free from the Mac App Store: <u>https://itunes.apple.com/us/app/firefly-k3000/id535277727?mt=8</u>

Educators primarily use *firefly* for its user management system, creating user accounts for others.

Students primarily use *firefly* for its web-based reading tool, letting them read files uploaded to the online file storage system called the **Universal Library**.
